that Robinson struck the fatal blow, be-cause they had no evidence whatever on that point. They could do no more than prove facts from which the jury might infer it. The more important, even, of these alleged facts, that Robinson was seen to enter and go on trom McConnel's bouse that morning, were disproved by more witnesses than they were proved by. There was therefore, a coulded oubt resting over the case, viz.: Whether Robinson susceed the house that morning at all; and whether, if he did, he apministed the murder. Under this double

birth of united twins took pines consty. The children were the
